Dear Friend of Mobilize Frederick,

The board and staff of Mobilize Frederick are eagerly looking forward to our 3rd annual Climate Summit, co-sponsored by Hood College, on February 28-March 1, 2025. This year's theme, "It's All Connected! How Climate Solutions Work Together for a Better Future" underscores the potential of collective action in addressing the climate crisis. When it comes to working together for collective action, we need businesses like yours to join in and help! Please consider becoming a Climate Summit sponsor!

As a valued leader in our community, your support is essential to the success of the event. By becoming a sponsor, you will play a pivotal role driving sustainable change and promoting a brighter future for all.
